Work Experience

DHL Supplay Chain Indonesia| Oct 2019

IT Auxiliary Supervisor

- Conduct project coordination, planning, and implementation across multiple teams
- making software and hardware to help warehousing and analyzing data

Organization History

- Member of Division Workshop Electrical Enginnering ITS 2015 – 2017
- Basic Electronics Lab Assistant 2015 - 2019
- Electra competition committee 2013
- Arduino chief training officer 2015

Educational History

Project Manager
- MI Murni Sunan Drajat
- SMPN 1 Lamongan
- SMAN 1 Lamongan
- Institut Teknologi Sepuluh Nopember – Electrical engineering

Ungraduate Thesis

Design of Vehicle Counting Systems on Highway Based an Internet Of Things

Skills Summary

- Electrical Design
- Machine Learning
- Microcontroller
- Python
- C/C++
- FPGA
- Labview
- SQL
- Data science
- IOT
- Computer Vision

Awards Received

- 2nd Place National LABVIEW Programming Advance
- Grand Finalist Innovate FPGA Region Asia Pacific Japan

Certificate

- Dicoding Machine Learning
- Dicoding Data Visualiztion
- DQLab Fundamental SQL
- Global Game Jam 2017
- Grand Finalist Innovate FPGA Region Asia Pacific Japan
- 2nd Place National Labview Programming
